In-Kind Donation Wish List

Joseph & Mary's Home is the first and only homeless services provider in Northeast Ohio focused on medical respite, offering adults experiencing homelessness the opportunity to safely recuperate from an illness, surgery or injury. We are located in the Central neighborhood and serve adults from throughout Northeast Ohio who are referred to us by health care partners and other providers. Joseph & Mary's Home operates two facilities, one 10-bed facility for women and one 11-bed facility for men.
